Spectators and Visitors Responsibilities

Whilst Members families, friends and casual visitors are very welcome to watch our games at all our facilities it must be emphasised that their safety and well-being is their responsibility. This is especially the case in respect of infants, children and babies in prams, pushchairs etc.

Small children should not be allowed to wander freely around the perimeter of the pitch whilst games are in progress. Children should remain under the control of the parents/guardians at all times.

Babies in push chairs should not be left parked on the side of the pitch.

Neither the club, its players, umpires or officials is responsible for any incident or accident that should occur
